Are We Pears Yet? Miranda Paul 2017-09-19 Two seeds can't wait to be pears, but growing takes time and patience in this funny and informative picture book from Miranda Paul, the author of Water is Water. "When will we be pears?" —"After we find soil." "Hooray! We are going to be pears! Are we pears yet?" —"No! Just be patient and wait." Written entirely in dialogue and staged as a play, Are We Pears Yet? is a clever and hilarious informational picture book that will make you look at growth cycles and fruit trees in a whole new way. Carin Berger's artfully composed collaged stage sets will delight and amaze you.

The Happy Pear: Vegan Cooking for Everyone David Flynn 2020-07-09 The No. 1 Bestselling Happy Pear twins are back! Vegan Cooking for Everyone is the vegan cooking bible, distilling their twenty years of plant-based cooking experience into ten chapters. David and Stephen's recipe grids show you just how many different meals you can make using the same key ingredients and methods. This means you can start adapting your favourite dishes to your taste, to your budget or to whatever you have in the cupboard. Their introductory chapters walk you through the fundamentals of taste and texture, teaching you the role of every ingredient you use. Once you understand this, you will have the confidence to swap ingredients in and out and even come up with recipes of your own. You will find over 200 versions of plant-based recipes anyone can make, from fluffy coconut granola for breakfast, to home-made vegan pizza for lunch, to creamy broccoli pie for dinner to carrot cake with vegan cream cheese frosting for dessert. From the plant-based newbie to the experienced vegan, this approach will inspire you to become the best plant-based cook you can possibly be. 'These lovely boys always create incredibly tasty food' Jamie Oliver 'Proper good food ... hearty, decent and delicious' Russell Brand 'The poster boys for a healthy way of life!' Sunday Times 'Their energy is almost tangible' Dr Rangan Chatterjee 'A healthy-eating phenomenon' Mail on Sunday 'Great people, unbelievable food' Joe Wicks

Prickly Pear Cactus Medicine Ran Knishinsky 2004-06-07 Examines the health benefits of the prickly pear cactus, summarizing the literature and research on its use in treating diabetes, high cholesterol, obesity, and other ailments, and including information about application and dosage.

A Puzzle in a Pear Tree Parnell Hall 2007-12-18 The Chicago Sun-Times crowns Parnell Hall’s Puzzle Lady mysteries “a joy for lovers of both crosswords and frothy crime detection...Cora Felton is a lovable and unique sleuth.” Now the crime-solving powers of the inimitable Cora and her clever niece, Sherry Carter, are put to the ultimate test as they square off against a yuletide killer who hides within the white-and-black shadows of an acrostic.... A Puzzle In A Pear Tree ‘Tis the season to be jolly, but Cora Felton, shanghaied into “The Twelve Days of Christmas” as a most reluctant maid-a-milking, has every right to feel like a grinch. When someone steals the partridge from the pear tree and replaces it with a cryptic puzzle she has no hope of solving, it’s almost more than the Puzzle Lady can bear. But then smug crossword creator Harvey Beerbaum solves the acrostic, and it turns out to be a poem promising the death of an actress. This is more like it! Could the threat be aimed at Cora and her thespian debut? Or at Sherry, one of the ladies-dancing? Or at Sherry’s nemesis, the pageant’s predatory lead, Becky Baldwin? Cora and Sherry barely have time for a mystery, what with trimming Christmas trees and buying Christmas presents, but rehearsals go on, under police protection--until a killer strikes elsewhere in a most unexpected manner.Ordinarily Cora Felton would be delighted to have two murders to solve. But this time she finds herself vying with a visiting Scotland Yard inspector who appears to have an all-too-personal stake in solving the crimes. Cora does too when her own niece becomes a prime suspect and the murderer strikes again. Is someone trying to shut down the Christmas pageant? Cora would be only too happy if that were the case, but she fears the secrets lie deeper. Now she is interviewing witnesses, breaking into motel rooms, finding evidence, planting evidence, and having a merry old time. In fact, she would be perfectly happy--if this wasn’t turning out to be a Christmas to die for!

USA Pears Cook Book Manish Verma 2017-06-24 This Bookazine aims at making readers aware of the incredible benefits of USA pears, a sweet and soft fleshed fruit Mother Nature has gifted to mankind. Pear of Hope Wenda Shurety 2021-05-05 Anna loves the old pear tree that lives at the bottom of the garden. When she becomes seriously ill, her relationship with the tree provides comfort and peace on her journey, particularly when she plants a seed from one of the tree’s pears. Pear of Hope is the story of a little girl with cancer and her tale of recovery. This is intertwined with the growth of a pear tree, which symbolises the enigmatic concept of hope. Told through sensitive words and gentle, beautiful illustrations, the story will comfort and inspire any children who are struggling to feel positive, whatever journey they may be on. Author Wenda Shurety wrote Pear of Hope because, as someone living with Multiple Sclerosis, hope has been instrumental in her healing process. The story is a gentle introduction to building a more positive outlook in the face of struggle. As well as adults and children suffering from illness, it will also appeal to educators discussing the topics of hope and symbolism, and to medical staff or counsellors who have to discuss hope in difficult situations. The beautiful story of Pear of Hope and its brave, adventurous and hopeful main character, Anna, will be a crucial step towards children and their carers embracing hope in their lives. With its vibrant images, it is a reminder of the beauty of the world around us and of the fact that, like Anna, with hope you can face any battle!

Orange Pear Apple Bear Emily Gravett 2014-02-11 In only five words -- four of which are in the title -- Kate Greenaway Medalist Emily Gravett presents a delightful picture book that is "simple and stunning" (The Guardian), and "daring, original, and a joy" (Sunday Times, London).

Apples, Peaches and Pears James Lorimer & Company Ltd., Publishers 2002-08-26 This classic, award-winning cookbook offers an array of recipes, from the traditional to the inventive and unusual, for three of Canada’s favourite summer fruits. Apples, Peaches & Pears features 125 recipes for a remarkable range of dishes including cakes, pies, puddings, salads, preserves and pickles. Along with the best traditional recipes--apple pie, peach ice cream, oven-baked pears--there are tempting new recipes--cranberry nut apple pie, baked peaches with almond slivers, and peach and red pepper relish, to name a few. Incorporating treasured family recipes gathered from across the country and extensively tested, Apples, Peaches & Pears is a favourite collection with cooks across Canada. After a tough international competition, Apples, Peaches & Pears received a 2002 World Gourmand Cookbook Award as an ingredient cookbook.

The Pears of Ribbeck Friedrich Christian Delius 1991

Cheese, Pears, and History in a Proverb Massimo Montanari 2010-08-20 "Do not let the peasant know how good cheese is with pears" goes the old saying. Intrigued by these words and their portent, Massimo Montanari unravels their origin and utility. Perusing archival cookbooks, agricultural and dietary treatises, literary works, and anthologies of beloved sayings, he finds in the nobility's demanding palates and delicate stomachs a compelling recipe for social conduct. At first, cheese and its visceral, earthy pleasures were treated as the food of Polyphemus, the uncivilized man-beast. The pear, on the other hand, became the symbol of ephemeral, luxuriant pleasure--an indulgence of the social elite. Joined together, cheese and pears adopted an exclusive savoir faire, especially as the "natural phenomenon" of taste evolved into a cultural attitude. Montanari's delectable history straddles written and oral traditions, economic and social relations, and thrills in the power of mental representation. His ultimate discovery shows that the enduring proverb, so wrapped up in history, operates not only as a repository of shared wisdom but also as a rich locus of social conflict.

The Maul and the Pear Tree P. D. James 2010 In 1811 John Williams was buried with a stake in his heart. Was he the notorious East End killer or his eighth victim in the bizarre and shocking Ratcliffe Highway Murders? In this vivid and gripping reconstruction P. D. James and police

historian T. A. Critchley draw on forensics, public records, newspaper clippings and hitherto unpublished sources, expertly sifting the evidence to shed new light on this infamous Wapping mystery. This true crime novel begins amid the horror of a dark, wintry London in the year 1811. Using elegant historical detection P.D. James and police historian T.A. Critchley piece together new and unpublished sources in an original portrayal of the Ratcliffe Highway Murders. P.D. James, the bestselling author of Death Comes to Pemberley and Children of Men, here explores the mysterious and intense emotions responsible for the unique crime of murder, with authority and sensitivity. Her only work of true crime, this novel uses forensics, unpublished sources and forgotten documents to create a vivid image of early-nineteenth century London and a gripping reconstruction of the Ratcliffe Highway Murders.

The Happy Pear: Recipes for Happiness David Flynn 2018-05-03 The No 1 bestsellers' new book - packed with quick and easy veggie options, clever meat-free versions of popular favourites and inspiring advice on how to be healthier! 'These lovely boys always create incredibly tasty food' Jamie Oliver Though they have written two No 1 bestselling vegetarian cookbooks, David and Stephen Flynn, the twins behind the Happy Pear cafés and food business, know it can be challenging to juggle everything and still feel inspired! And being busy dads themselves they also know the pressure of getting delicious healthy meals on the table every day. So Recipes for Happiness is very close to their hearts. And it does what it says on the cover: it is crammed with recipes to make you happier - including a huge section of economical easy dinners that can be rustled up in 15 minutes (chickpea tikka masala, thai golden curry, one-pot creamy mushroom pasta); gorgeous hearty dishes (goulash, Greek summer stew, an ingenious one-pot lasagne that's cooked the hob); a selection of plant-based alternatives to family favourites (burgers, hotdogs, nuggets, kebabs), and irresistible treats (summer fruit bakewell tart, double choc brownie cake). For nearly 15 years David and Stephen's mantra has been Eat More Veg! They have seen fads come and go and they know that what works - for themselves, their families and the thousands of people who eat the Happy Pear way. Cook from Recipes for Happiness and you too will definitely be well on the way to making your life healthier and happier! 'The poster boys for a healthy way of life!' Sunday Times 'A healthy eating phenomenon' Mail on Sunday 'These twins are on a roll' Time Out '[They] couldn't look healthier or happier ... poster boys for vegetarianism' The Times 'Crammed with great recipes to make you healthier and happier' Take a Break 'The boys are helping to make the world a healthier, happier place ... what's not to love?' Vegan Food and Living 'Enjoy these indulgent-but-healthy dishes indoors or out - you won't even notice it's raining' Vegan Living 'Substantial ... just right for someone interested in exploring the world of "plant-power"' The Vegetarian 'Inspired' Choice Magazine

The Pear Genome Schuyler S. Korban 2019-07-03 Addressing the pear genome, this book covers the current state of knowledge regarding genetic and genomic resources, breeding approaches and strategies, as well as cutting-edge content on how these tools and resources are being / soon will be utilized to pursue genetic improvement efforts that will combine fruit quality, high productivity, precocious fruit bearing, and long postharvest storage life, along with elevated levels of resistance to various major diseases and insect pests. Throughout, the book also explores potential opportunities and challenges in genomic analysis, sequence assembly, structural features, as well as functional studies that will assist in future genetic improvement efforts for pears. The pear (Pyrus), an important tree fruit crop, is grown worldwide, and has several economically relevant cultivars. In recent years, modern genetic and genomic tools have resulted in the development of a wide variety of valuable resources for the pear. In the past few years, completion of whole genome assemblies of ‘Dangshansuli’, an Asian pear, and ‘Bartlett’, a European pear, have paved the way for new discoveries regarding for example, the pear’s genomic structure, chromosome evolution, and patterns of genetic variation. This wealth of new resources will have a major impact on our knowledge of the pear genome; in turn, these resources and knowledge will have significant impacts on future genetic improvement efforts.

Pear Growing in the Pacific Coast States John Robert Magness 1957

The Very Oldest Pear Tree Nancy I. Sanders 2020-08-01 In the 1630s in the Massachusetts Bay Colony, a Puritan settler planted a pear tree—the first pear tree in America. More than a century later, the tree still bore fruit, impressing a famous poet and one of the first US presidents. The pear tree survived hurricanes, fire, and vandalism, and today, more than 350 years after it was first planted, it's alive and strong, and clones of it grow all around the US. This is the amazing true story of the Endicott Pear tree, and how it grew up with our nation. **The Book of Pears** Joan Morgan 2015-10-15 Winner of the Garden Media Guild Awards Reference Book of the Year 2016, the Guild of Food Writers Food Book of the year 2016, and the BBC Food & Farming Awards 2016 for Outstanding Achievement. Accompanied by a beautiful and comprehensive website of the same name, this wonderfully unique book is an indispensable and one-of-a-kind guide. It tells the story of the pear from its delightful taste and wonderful appearance to breeding and cultivation, following the fruit’s journey through history and around the world. Beautifully illustrated with 40 botanical watercolour paintings by Elisabeth Dowle, The Book of Pears is the most up-to-date and comprehensive guide to the pear. Moving through continents and cultures, Joan Morgan celebrates the pear’s long history as both a fresh and cooking fruit. Revealing the secrets of the pear as a status symbol, some of the most celebrated fruit growers in history, and how the pear came to be so important as an international commodity. The pear directory, which makes up the second half of the book, covers the world’s ancient and modern varieties, each with full tasting notes and historical, geographical and horticultural detail. A fully illustrated version of this directory is shown on the author's website www.thebookofpears.fruitforum.net

In the Court of the Pear King Sandy Petrey 2018-07-05 The period 1830-1832 witnessed a remarkable series of cultural and political milestones in France. In 1830, a revolution overturned one monarchy, only to replace it with another. In 1831, Charles Philippon’s caricature of Louis-Philippe, the new monarch, as a pear achieved extraordinary popularity. Drawn on walls from one end of France to another, the pear caricature became a national obsession. In that same year, George Sand moved from the provinces to Paris and challenged gender stereotypes by adopting men’s clothes and writing fiction in a man’s voice. During 1830-1832, Stendhal and Balzac developed the techniques of the realist novel that still dominate much of the world’s fiction. Sandy Petrey explores the factors accounting for such consequential innovations in so short a time, so restricted a space. In Petrey’s view, these disparate events betoken a common recognition of society’s capacity to make and unmake what it recognizes as real. Petrey’s first two chapters explore the popularity of the pear caricature. The remaining chapters focus on Balzac, Stendhal, and Sand, addressing these writers’ concern with society’s power to define and transform the identity of its members. For Petrey their work continually recalls the hybrid character of Philippon’s pear, both totally unlike the king and the king’s spitting image. While the French government declared the July Revolution a nonevent and the July Monarchy an incontrovertible fact, French fiction concentrated on society’s power to declare an individual a nonperson or to make presence out of absence, plenitude out of emptiness.
